

Welcome to our 38th Annual Production Sale

In Previous years we entered our bulls in numerous gain tests and continually were leaders in average daily gain and weight per day of age. We continue to enter our cattle in carcass and gain competitions throughout the United States and consistently top these tests.

Our bulls are being fed a high roughage ration that gives a comparable measurement of their genetic capabilities. We are very conscious of the breeding qualities and soundness needed to have these bulls continue to work for you, our customer.

We thank you for attending our sale and considering our cattle.

Sale Terms

1. Bulls will be sold to the highest bidder.
2. Disputes among bidders will be settled by the auctioneer by re-opening the bidding among the parties involved. If no further bid is received, the buyer shall be the party from whom the auctioneer has accepted the last bid. The auctioneer's decision shall be final
3. Purchaser's risks begin as soon as the bull is sold. Bulls will be cared for at the seller's expense and the purchaser's risk until May 1, 2022, if desired.
4. Terms of the sales are cash.
5. All Bulls have been examined for fertility and soundness. All guarantees are between seller and buyer and in no instance shall seller be responsible for more than the purchase price. DeBruycker Charolais shall not be responsible for any guarantees on guest consignment bulls. Any guarantee on these bulls will be between the guest consignor and buyer only.
6. Announcements from the auction block shall take precedence over printed material in the catalog.
7. Certificates of registry will be supplied by the seller to any buyer requesting this on the sale day.
8. Every precaution will be taken to protect the safety of buyers and spectators. However, DeBruycker Charolais Ranch does not assume any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

As in the past, we are offering free care until May 1, 2022, OR free delivery to Montana and adjoining states. However, each year we have some customers that pick up their bulls on sale day. To be fair to those customers, we are offering \$100.00 per head trucking allowance to anyone picking up their bulls on the day of the sale. This will be paid immediately to the purchaser, by DeBruycker Charolais. **Trucking allowance valid only on accounts paid in full.**

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorelicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 997. *Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* The sale will also be broadcast live on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

Buyers will be contacted by the ranch after the sale for payment and delivery details. IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.

"I have shopped for Charolais bulls at many other breeders, and I have found DeBruycker bulls to be superior in all areas important to commercial cattlemen. I get better genetic potential purchasing the less expensive bulls at DeBruycker's sale than when I have purchased top bulls from other breeders. DeBruycker bulls are thick, stout, and hard-working. These bulls handle rough country very well. The hold up better than other bulls and their feet stay sound."

“DeBruycker bulls make my black cows better.
DeBruycker Charolais bulls make the best cross, yielding higher weaning weights and incredible feedlot demand. I appreciate DeBruycker’s support; they aggressively bid on and buy my calves. DeBruycker Charolais produce top quality bulls that are economical for the rancher

"DeBryucker Charolais bulls are simply the best bulls for my bottom line. My DeBryucker sired calves increase my weaning weights every year. The calves also have the genetic package to be the BEST feedlot calves. DeBryucker's have done an outstanding job creating thick-butted, wide-back bulls that calve well, have good temperaments, and produce top quality, uniform calves. My DeBryucker Charolais sired steer calves weaned at 838 lbs; they outweighed my black steer calves by 100 lbs."

Hello Brett, I just wanted to send you a quick note after reviewing the sale video on the bulls. What a tremendous set of bulls, possibly the best I have viewed compared to previous sale videos. I am very impressed with the stoutness of the bulls, but still very clean and smooth through the front, head and shoulders, indicators of calving ease. The bulls are long bodied and clean through the middle, bulls that will perform in the pasture and sire calves that will perform in the feedlot.

Have a Great sale, Tim Klaustermeier

"I've had the same calving ease with DeBruycker Charolais bulls that I've had with Angus bulls. I've tried other breeders' Charolais bulls, but they didn't deliver the uniformity that I get with DeBruycker Charolais. DeBruycker-bred calves are long and thick; that's what produces the extra weaning weight and profit. I'm sold on DeBruycker Charolais bulls."

We have enjoyed doing business with the DeBruycker Family for over 20 years now and continue to be impressed with the quality of bulls we get from them. By using DeBruycker Charolais bulls on our Angus base cows, we're producing a calf that performs great for us as cow/calf men, and also has the genetics to profit at the feeders and packers as well. Besides this, time and time again, DeBruycker's show their appreciation for their customers and the industry as a whole. It's nice doing business with sincere and honest people like the DeBruycker Family.

My son's Charolais-cross steer was the Grand Champion carcass again this year thanks to the quality genetics your family has developed. It is pleasing to see the Charolais steers compete so well against the other breeds in the area. The carcass results for his steer were...REA:15.9"; REA/CWT: 2.03; Quality Grade: Choice; Yield Grade: 1.57; Steer of Merit.

The uniformity in DeBruycker Charolais bulls is incredible, the good ones keep coming in the ring one after the other. I tell my guys to use DeBruycker bulls because they do a good job and will make them money. DeBruycker cattle are strong enough for the feeders and yet smooth enough for the ranchers. DeBruycker Charolais have exceptionally good cattle, you can't help but like 'em.

The uniformity in DeBruycker Charolais bulls is incredible, the good ones keep coming in the ring one after the other. I tell my guys to use DeBruycker bulls because they do a good job and will make them money. DeBruycker cattle are strong enough for the feeders and yet smooth enough for the ranchers. DeBruycker Charolais have exceptionally good cattle, you can't help but like 'em.

"The Gambler"

On a warm summer's evening
On a train bound for nowhere
I met up with the gambler
We were both too tired to sleep
So we took turns a-starin'
Out the window at the darkness
The boredom overtook us
And he began to speak
He said, "Son, I've made a life
Out of readin' people's faces
Knowin' what the cards were
By the way they held their eyes
So if you don't mind my sayin'
I can see you're out of aces
For a taste of your whiskey
I'll give you some advice"
So I handed him my bottle
And he drank down my last swallow
Then he bummed a cigarette
And asked me for a light
And the night got deathly quiet
And his face lost all expression
Said, "If you're gonna play the game,
boy
You gotta learn to play it right
You've got to know when to hold 'em
Know when to fold 'em
Know when to walk away
And know when to run
You never count your money
When you're sittin' at the table
There'll be time enough for countin'
When the dealin's done
Every gambler knows
That the secret to survivin'
Is knowin' what to throw away
And knowin' what to keep
'Cause every hand's a winner

And every hand's a loser
And the best that you can hope for
Is to die in your sleep"
And when he'd finished speakin'
He turned back toward the window
Crushed out his cigarette
Faded off to sleep
And somewhere in the darkness
The gambler he broke even
But in his final words
I found an ace that I could keep
You've got to know when to hold 'em
Know when to fold 'em
Know when to walk away
And know when to run
You never count your money
When you're sittin' at the table
There'll be time enough for countin'
When the dealin's done
You've got to know when to hold 'em
(when to hold 'em)
Know when to fold 'em (when to fold
'em)
Know when to walk away
And know when to run
You never count your money
When you're sittin' at the table
There'll be time enough for countin'
When the dealin's done
You've got to know when to hold 'em
Know when to fold 'em
Know when to walk away
And know when to run
You never count your money
When you're sittin' at the table
There'll be time enough for countin'
When the dealin's done

"MIDNITE MACKEE"

In Memory of Lloyd Henry DeBruycker

December 1, 1933 – September 1, 2021

LD

Retired farmer, rancher and agricultural trailblazer Lloyd Henry DeBruycker, 87, of Dutton, who with his wife established DeBruycker Charolais, died Sept. 1, 2021, at Benefits Teton Medical Center in Choteau of natural causes.

Members of the American International Charolais Association, Lloyd and his wife Jane were honored by the industry in 2003, when they were inducted into the AICA Hall of Fame in recognition of their influence on the Charolais cattle breed and their contributions to the beef cattle industry.

"Lloyd's impact on the breed is significant," said David Hobbs, the director of activities for the AICA and manager of the Charolais Journal, the breed publication.

Hobbs said that DeBruycker Charolais bulls and cows are found worldwide, and the ranch's LHD Cigar E46 bull has more than 4,000 progeny in the AICA system.

"The LHD brand, in my mind, is a household name not only in the Charolais beef industry, but also in the commercial beef cattle industry across the country and North America," Hobbs said.

Lloyd truly understood what the beef cattle industry was about and certainly put his bull customers first in wanting them to be successful, Hobbs said.

Lloyd was born on Dec. 1, 1933, in Great Falls to immigrant parents, Achiel and Rose DeBruycker, who came from Belgium and Italy, respectively, to find their fortune in the American West. They operated a small grain farm and cattle ranch in rural Teton County south of Collins and west of Dutton. Lloyd was born with a heart murmur, and his parents were told he likely would not live past age 12, but he turned out to be heartier than predicted.

Lloyd was one of four brothers who grew up on the farm, learning to coax crops out of the dryland fields, to ride horses and to raise cattle. Lloyd attended the Collins Grade School, where his teacher skipped him from sixth grade to eighth grade. He liked to say he graduated second in his class, and then would laughingly note, there were only two of them. Not fond of school, Lloyd didn't go to Dutton High School until his sophomore year. He then graduated in 1950 as the salutatorian of his class.

His Catholic parents sent him to Carroll College in Helena at 16 years old to become a priest. He, however, had other plans, and as he told it, he went in one door and out the other. While he didn't earn a degree, he liked to tell people that he "completed college" as a 16-year-old.

Lloyd returned to Dutton, where he worked on the farm with his father and brothers and did odd jobs, putting together machinery, working on other area farms, doing carpentry and sending out roots in the Dutton community as he and his brothers purchased farmland.

At a Dutton High School ball game, Lloyd met a pretty little Minnesota girl, Jane Clemenson, who came to school there in her sophomore year. While there were lots of boys vying for her attention, Lloyd jumped to the front of the line, and the two were married on July 2, 1954, in the Dutton Lutheran Church, starting a grand partnership that would span 67 years, seven children and the building of a nationally and internationally respected Charolais cattle operation.

They made their home initially in a small house in Dutton as Lloyd worked at local elevators and continued to farm and ranch with his brother Roger. In 1963, as drought wreaked havoc on area farms, they had the opportunity to purchase a 600-acre farm from Dave McClellan. They moved into a big house on the farm in July of 1963, and began raising grain, pigs, cattle and kids.

An agricultural innovator his whole life, Lloyd wasn't satisfied with the Hereford cattle his dad raised. In 1958, he purchased his first Charolais bull and used it to cross-breed their commercial cows. Lloyd saw the tremendous gain in red meat production and the incredible enhancement in the quality of the beef with the Charolais bull.

In 1963 they purchased 12 registered Charolais heifers and in 1964 they added a purebred Charolais bull, Amigos Pride. DeBruycker Charolais was officially born.

In the 1960s and 1970s, Lloyd was instrumental in importing different breeds into the United States. He along with many other cattlemen at that time experimented with many different breeds such as Chiania, Maine Anjou and Simmental. During this time, though, Lloyd and Jane never strayed too far from Charolais as they could tell this was the breed for them because of the economic benefits commercial cattlemen would receive from this breed.

In 1972, Lloyd became one of seven main producers who formed a new feedlot operation north of Choteau called North Montana Feeders, giving local producers a place to finish calves and a place for DeBruycker Charolais to feed thousands of their bull customers' calves each year. He was manager of the 8,500 head feedlot from 1979 to 2003, and while he was active, between North Montana

"I would say that [our most significant accomplishment] is that my kids have followed what we started," Lloyd said. "We all work together and that makes me feel awfully good."

He was known for his generosity and was always willing to help out friends and neighbors who had fallen upon tough times and to help new farmers and ranchers just getting started. He supported many causes including rodeo, Dutton High School and 4-H.

When he and Jane were raising their kids, Lloyd worked with them on ranch every day, sandwiching their school and sports events in among haying, harvesting, calving and shipping. He taught them to think big, to work hard, to never quit, not to fear failure and to set their sights high.

In his later years, he greatly enjoyed spending time with his grandchildren and great-grandchildren, attending their school and sporting events and helping them learn the ropes of ranching and farming.

Like most farmers and ranchers, he loved dogs too. He had many over the years, including Charlie Brown, a terrier; Buford, a St. Bernard, and even once a Dalmatian. He kept the ranch populated with llamas, goats, bum lambs and pigs too.

Music was also one of Lloyd's interests. His family says he had a "great country -music voice" and was always singing along with the radio or a cappella as he drove down the road in one of his red pickups. Later in his life, Lloyd wrote and played his own songs, recording seven CDs of original and cover works. His granddaughter, Cassidy DeBruycker, sings with him on one of the CDs.

While he wasn't into school learning, Lloyd had a flair for numbers and was known for his ability to do complex mathematical calculations in his head. He never stopped learning his entire life as he was constantly looking at trends and exploring new ventures. He was interested in ethanol and biofuels in the 1970s and worked on farm-to-restaurant marketing of DeBruycker Charolais beef in the 1980s. While he didn't have a college education, he encouraged his children and grandchildren to pursue their goals in higher education.

Lloyd lived most of his life on the farm with Jane and never really retired. As his health began a gradual decline, he stayed on the farm for as long as he could. About two years ago, however, his need for care increased to the point that he moved into long-term care at Benefits Teton Medical Center. His family is very grateful for the terrific care he received at BTMC.

Lloyd was a larger-than-life person. His love for life and his passion for always moving forward have been passed on for generations, and for that his family is eternally grateful.

Lloyd is survived by his wife, Jane of Dutton; his children, Tammy (Chris) Wend of Sparwood, British Columbia, Mark (Belva) DeBruycker of Bynum, Conny (Joe) Campbell of Choteau, Jacque Jacobsen of Fairfield, Kelly (Bruce) Martin of Conrad, Brett (Kay) DeBruycker of Dutton and Jody Dahl of Roundup; his brothers, Roger (Myrl) DeBruycker of Floweree and Rudy DeBruycker of Nebraska; 25 grandchildren; and 20 great-grandchildren.

He was preceded in death by his brother, Raymond DeBruycker, and his sister-in-law Janet DeBruycker; an infant son, Stephen Lloyd DeBruycker; his grandson, Jeffrey Wend; and his sister-in-law, Rosemary DeBruycker.

The Celebration of Life will be held on Tuesday, Sept. 21, at 11 a.m. outside on the lawn at the Dutton American Legion Hall with burial to follow in the Dutton

Cemetery. A fellowship gathering on the Legion Hall lawn will be held after the burial. The family asks those attending adhere to COVID-19 safety guidelines.

Those planning to attend from out of town can book rooms by Sept. 16 at the Stage Stop Inn in Choteau at 406-466-5900. Rooms are held under the Lloyd DeBruycker Memorial block.

Memorials are suggested to the Teton County 4-H program for beef education, P.O. Box 130, Choteau, MT 59422; the Teton County Special Olympics in care of Steve Lettengarver, P.O. Box 102, Fairfield, MT 59436; the Dutton American Legion Hall, Freeborn Post #64, P.O. Box 291, Dutton, MT 59433, or the Bethany Lutheran Church, P.O. Box 145, Dutton, MT 59433, or the donor's choice.

Feeders and the other feedlots the family used, they fed close to 30,000 head of cattle each year.

Lloyd lived by the mantra of thinking big and acting decisively. In 1974, he and Jane took one of their bulls, Bamark, to the Denver Stock Show. They brought him up the elevator of the Hilton hotel for the event. The sales manager asked Lloyd, "What's Bamark's show record." Lloyd (knowing the bull had never been shown before), said truthfully, "He's undefeated." That response got Bamark into the sale, and it turned out that Lloyd and Jane's one-quarter interest of semen in that bull grossed more revenue at \$50,000 than the rest of the entire sale.

Through the 1970s into the 2000s, Lloyd focused on building DeBruycker Charolais into a world-respected registered cattle operation. Working with his wife and their children, he sold cattle to producers from Canada to Japan and from Mexico to South Korea. In 1983, he loaded a 747 jet with 441 head of Charolais-cross calves that were flown to Korea from Holman Aviation at the Great Falls International Airport. He was one of the founding members of the Herd Improvement Test at Stanford, focusing his efforts at selecting bulls with the best breeding traits.

During this time, Lloyd developed a branded beef program called "Char-Pak," whereby Charolais beef was packaged and sold using the Charolais name. Although no longer in operation, the program demonstrates Lloyd's knack for promotion, innovative thinking and for driving initiatives which are now being harnessed for other agricultural products and breeds.

On April 1, 1985, Lloyd oversaw the first DeBruycker Charolais bull sale, selling 224 head of registered bulls at the ranch of his daughter and son-in-law, Cathy and Joe Campbell, north of Choteau. Today the annual auction sells 700 bulls and another 300 bulls are sold via private treaty. DeBruycker Charolais bulls can be found throughout the world.

Lloyd was one of the first, if not the first, to develop a lease bull program. The initiative enabled people to use Charolais bulls in an affordable manner which, in turn, created many new customers for the Charolais breed.

Under Lloyd and Jane's leadership, DeBruycker Charolais has raised some of the finest Charolais bulls in the breed: Ali Mark, Mr. Perfect, Cigar, Trademark, Zen and Zeus are names which North American cattle producers know as solid breeding stock. In many gain and carcass contests and in "birth to plate" evaluations, DeBruycker Charolais animals have ranked at or near the top.

Today, the DeBruycker Charolais operation, including the home place and the ranches of Lloyd's children, encompasses 25,000 deeded acres, some 50,000 leased acres and raises 2,200 mother cows and 1,000 bulls a year, making the family conglomeration the largest registered Charolais herd in the world.

Lloyd was known for being a great judge of cattle and horses. He said he had "the shepherd's eye" for evaluating livestock conformity, and he was a valued judge for many 4-H and cattle shows. He was also a consummate farmer, who loved running the combine at harvest time.

While Lloyd was a dedicated cattle breeder, he had many other interests during his long and full life. He and Jane traveled to every state in the union and visited Japan, Mexico, Canada, Europe and Taiwan.

He was an avid gambler, who "was known to bet on anything, including the 'R' in Roloids." He loved playing poker, rolling the dice, betting on horses and hitting the craps tables in Las Vegas. One time, in a dice game, he won and was paid off in diamonds. He gave those diamonds away through the years so his wife, his daughters, his daughters-in-law and his granddaughters and the brides of grandsons each had diamonds to put in their wedding rings.

He loved Thoroughbred horses and greatly enjoyed going to horse races and placing his wagers. This love led him to invest in several race horses in the U.S. and Canada. In 2005, Lloyd won a \$1,000,000 race in Florida with a horse that went off at 70 to one odds.

He also enjoyed bowling and was active in local leagues for many years.

He was an involved community supporter. He served on the Dutton School Board, the Teton County search and rescue, and on the boards of the Farmers Elevator and North Montana Feeders.

He was a past member of the Montana Cattlemen's Association, Montana Stock Growers Association, United States Cattlemen's Association, R-CALF USA and the National Cattlemen's Association.

In 2014, when he was 80, the Montana Pro Rodeo Cowboys Association recognized Lloyd and Jane for having a ranch that has contributed to the Montana western lifestyle. At that time, Lloyd said of all their accomplishments, the proudest was that their sons and daughters still work together for the home ranch and the individual ranches that many of them now own and operate.

Memories:

Dedicated to Jane and Our Life Together

By Lloyd DeBruycker

We were young, way too young, It won't last, this feeling will pass.

They were wrong, they were wrong.

It was good times, it was bad, we were happy with what we had, And our kids didn't turn out bad. They were wrong.

Memories, memories, I can still recall the way we came to be

Hmmm humm, humm memories.

Look at me, Look at you, Spring is gone, summer too And our grandkids look like you. They were wrong. Memories, memories,

I can still recall the way we came to be. Hnm, humm, humm, memories.

Memories, memories, I can still recall the way we came to be,

Hmmm, humm, humm, memories.

I can recall the night we met, memories. Hnm, hum, hum, memories. You and me.
